OUR SERVICES

Northampton Financial Services Limited t/a D Moloney Financial Services is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to Life & Pensions, Investments, Mortgages, General Insurance Products and Deposits. A full list of insurers, product producers and lending agencies with which we deal is available on request.

- Insurance Intermediary Services

We act as a **Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a **fair and personal analysis** of the market; and
- b) We are remunerated by commission and may charge a fee for our insurance intermediary services.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- | | | | |
|---|---|---|--|
| ■ | the needs of the customer | ■ | the number of relevant products available |
| ■ | the size of the customer order | ■ | the availability of information about the products |
| ■ | the number of providers in the market | ■ | the quality of the product & service provided |
| ■ | the market share of each of those providers | ■ | cost and any other relevant consideration |

- Investment Intermediary Services

We are remunerated by commission and may charge a fee for our investment intermediary services.

- Insurance Based Investment Products

We are remunerated by commission and may charge a fee for the advice we provide on our insurance based investment products.

- Life & Pensions and Life Wrapped Investments

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies. For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

- Mortgages

Through the lenders or other undertakings with which we hold an agency, D Moloney Financial Services can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

We provide mortgage advice on a limited analysis (providing services on the basis of a limited number of contracts and product producers available in the market). We provide advice on the following product providers:

- ICS Mortgages
- Finance Ireland
- Brokers Ireland Mortgages
- Haven Mortgages
- Permanent TSB

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

- **Non-Life Products**

We can provide advice on and arrange products from the following range: household, motor, commercial, public liability, employer liability, and travel insurance. We provide general insurance on a fair and personal analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

To ensure continuity of cover, where you have an existing policy which is due to expire and where we have been unable to contact you, we may put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period of time between renewal and when we receive your instruction. You have the right not to avail of this service.

We provide Health Insurance advice on a limited analysis basis (providing services on the basis of a limited number of contracts and product producers available in the market), for whom we exclusively conduct insurance distribution business. We provide advice on the following product providers:

- Irish Life Health

We will also offer assistance to you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover. Specifically on the subject of permanent health insurance policies, we will explain to you; a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

STATEMENT OF CHARGES

Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.

If we receive commission from a product provider, this may be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending.

SUSTAINABILITY FACTORS – INVESTMENT / IBIPs / PENSION ADVICE

When assessing products, we will consider the different approach taken by product providers in terms of them integrating sustainability risks into their product offering. This will form part of our analysis for choosing a product provider. The firm will at all times act in the client's best interests and keep clients informed accordingly. The consideration of sustainability risks can impact on the returns of financial products. We will review this approach on an annual basis.

In accordance with the Sustainable Finance Disclosure Regulation ('SFDR'), we inform you that in our advice with regard to insurance-based investment products ('IBIPs'), we may, if relevant, assess relevant sustainability risks and risk on returns, as far as this information is available in relation to the products proposed/advised on. More specifically, this means that we may assess environmental, social or governance events/conditions that, if they occur, could have a material negative impact on the value of the investment. We integrate these risks in our advice depending on client preferences on a case by case basis.

ONGOING SUITABILITY

- Investments

The firm's services do not include ongoing suitability assessments. (Please refer to Regular Reviews).

- Insurance Based Investment Products

The firm's services do not include ongoing suitability assessments. (Please refer to Regular Reviews).

REGULAR REVIEWS

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. You must advise us of those changes and request a review of the relevant policy so that we can ensure that you are provided with up to date advice and products best suited to your needs. Failure to contact us in relation to changes in your circumstances, may result in you having insufficient insurance cover and/or inappropriate investments.

DISCLOSURE OF INFORMATION

Any failure to disclose material information may invalidate your claim and render your policy void.

CONFLICTS OF INTEREST

It is the policy of our firm to avoid conflicts of interest in providing services to you. However, where an unavoidable conflict of interest arises we will advise you of this in writing before providing you with any service. A full copy of our conflicts of interest policy is available on request.

DEFAULT ON PAYMENTS BY CLIENTS

We will exercise our legal rights to receive payments due to us from clients (fees and insurance premiums) for services provided. In particular, without limitation to the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

Mortgage lenders may seek early repayment of a loan and interest if you default on your repayments. Your home is at risk if you do not maintain your agreed repayments.

COMPLAINTS

Whilst we are happy to receive verbal complaints, it would be preferable that any complaints are made in writing. We will acknowledge your complaint in writing within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made. On completion of our investigation, we will provide you with a written report of the outcome. In the event that you are still dissatisfied with our handling of or response to your complaint, you are entitled to refer the matter to the Financial Services and Pensions Ombudsman (FSPO). A full copy of our complaints procedure is available on request.

DATA PROTECTION

We are subject to the requirements of the General Data Protection Regulation 2018 and the Irish Data Protection Act 2018. D Moloney Financial Services is committed to protecting and respecting your privacy. We wish to be transparent on how we process your data and show you that we are accountable with the GDPR in relation to not only processing your data but ensuring you understand your rights as a client. The data will be processed only in ways compatible with the purposes for which it was given and as outlined in our Data Privacy Notice, this will be given to all our clients at the time of data collection.

We will ensure that this Privacy Notice is easily assessable. Please refer to our website – www.dmoloney.ie. If this medium is not suitable we will ensure you can easily receive a copy by hard copy.

Please contact us at mary@dmoloney.ie if you have any concerns about your personal data.

CONSUMER RESPONSIBILITIES

The following sections apply to consumer duties and rights arising out of the Consumer Insurance Contracts Act 2019 which was implemented to protect consumers. Non-Consumer Commercial clients have no duties and rights under this Act, and therefore the following sections do not apply to them.

Consumers have a duty of disclosure when completing documentation for new business / renewals and midterm adjustments. You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the 'average consumer'.

Before renewal of the contract of insurance, specific questions will be asked. Again, you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged. Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

- **Cancellation of a Contract of Insurance**

You may cancel a contract of insurance, by giving notice in writing to the insurer, within 14 working days after the date you were informed that the contract is concluded. This does not affect the notice periods already provided under European Union (Insurance and Reinsurance) Regulations 2015 ([S.I. No. 485 of 2015](#)) or the European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004 ([S.I. No. 853 of 2004](#)) which is 30 days in respect of life policies, irrespective of whether the sale took place on a non-face to face basis, and 14 days in respect of general policies and only on sales that took place on a non-face to face basis (distance sales).

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover. This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month.

- **Post-Contract Stage and Claims**

If, in respect of the general insurance contract the insurer is not obliged to pay the full claim settlement amount until any repair, replacement or reinstatement work has been completed and specified documents for the work have been furnished to the insurer, the claim settlement deferment amount cannot exceed

- o 5% of the claim settlement amount where the claim settlement amount is less than €40,000, or
- o 10% of the claim settlement amount where the claim settlement amount is more than €40,000.

An insurer may refuse a claim made by you under a contract of life or general insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover. Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time. You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance. If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty). If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.

COMMERCIAL CUSTOMERS: NON-CONSUMERS DISCLOSURE OF INFORMATION

It is essential that you should bring to our attention any material alteration in risk such as changes of address or use of premises. Any failure to disclose material information may invalidate your claim and render your policy void.
